animushome.com/support

Package Content

Quick Installation

1 Connect your Animus Heart to your Internet router by using the included LAN-cable.

Animus Heart works best if installed in a central location to where your smart devices will be placed.

2 Now connect your Animus Heart to a power source by using the included power adapter.

Avoid installing the Animus Heart near or inside sources of metal, radio or electromagnetic interference.

3 Finally download the **Animus Home Mobile app** on the App Store or the Android Market and follow the simple guide in the app.

You're now ready to enjoy your Animus Home!

hApp[®] Boosted

Customize your home with simple, ready-made, smart solutions. If there is no hApp for what you need, it is a hApp just waiting to be made by the developer community.

Read more about hApps on;
animushome.com/happ

Simple To Use

Clean and simple in every aspect. We removed all confusion by keeping it free from buttons.

- A. Power** Regular 2.1mm power connection to be used with the included adapter and cable.
- B. LAN** Provides connectivity to the network by ethernet cable (optional).
- C. USB (2)** Provides connection through USB for other devices, e.g. external storage.

Feedback

Animus Heart has an integrated halo (status light) to let you know the status of your smart home.

Flip this over for more information.

FAQ

I can not find my Animus Heart / I do not have a local IP address!

Be sure that your mobile phone is connected to your home internet/local area network (LAN) before trying to find your Heart. Still can't get it to work, visit wiki.animushome.com

Where can I talk to a developer about a new hApp idea or update?

If you already installed a hApp, there may be ways to contact that developer through the hApp's interface. Otherwise we also have a community forum at; community.animushome.com

If I want to create and develop a hApp, where should I start?

We help guide you with just that if you look for how to get started with developing at; animushome.com/developer

Legal notices

Warranty and Service

This product is provided to its end-users through a network of distributors, resellers and the Animus Home online store. Contact your point of purchase for warranty claims and to obtain service and support related to the product.

Limitation of Liability

For consumers, the limitations set out herein shall only apply to the extent permitted by applicable consumer protection legislation. You expressly agree that your use of, or inability to use, the goods and services is at your sole risk. The goods, services and products delivered to you through the service are (except as expressly stated by us) provided 'as is' and 'as available' for your use, without any representation, warranties or conditions of any kind, either express or implied, including all implied warranties or conditions of merchantability, merchantable quality, fitness for a particular purpose, durability, title,

Factory Reset

If you need to start over with a factory reset of your Animus Heart you will need to set it to recovery mode first.

Read all the steps first before attempting anything!

1. Unplug the power to your Animus Heart.
2. Plug the power back in, wait for the LED ring to show **light blue** for the **second time** (around 6s), then unplug the power again. This enables recovery mode for the next time your Heart boots up.
3. Plug the power back in and wait until the Halo (LED indicator) shows orange. If the default blue light is shown after a minute your Heart is not in recovery mode, please redo the first two steps.
4. Open a web browser and enter the IP of your Heart. Scroll down to Firmware Reset and choose to do a factory reset there.

and non-infringement. Animus Home does not carry direct or indirect responsibility for incompatibility, delivery delays, downtime of services or data loss. Animus Home accepts no liability to the customer whether in contract, tort (including negligence) or otherwise for of any of the following losses or damages: (a) loss of profit arising directly or indirectly; (b) loss of business or of revenues arising either directly or indirectly; (c) any losses, damages, costs or expenses to the extent that these are indirect losses. The sum payable by Animus Home to the customer in respect of all claims whether arising for breach of contract, in tort (including negligence) or otherwise shall not exceed the sum actually paid to Animus Home from the consumer for the goods or services in question. The limitations set out herein shall not apply if we have acted with gross negligence or intent.

Governing Law

All attempts to fraud are reported to the police. Animus Home reserves the right to cancel a purchase if any suspicion of crime is raised. These Terms and Conditions are governed by Swedish law, explicitly excluding the United Nations Convention on the International Sale of Goods (CISG). Any dispute shall be settled in a Swedish public court with the District Court of Malmö being the first instance.

WARNING: Service by authorized service personnel only. Warranty terms do not apply if the product is opened.
